FISCAL YEAR 2017-2018

**REPORT TO THE
COMMUNITY**

FROM OUR **BOARD CHAIR**

“Give the ones you love wings to fly, roots to come back and reasons to stay.”

This simple quote graced the front of a card I received from someone when I graduated from high school. At the time, I didn't reflect on the meaning of the words, I was just ready to spread my wings...I couldn't get out of town fast enough! It wasn't until I had been away from Washington County for several years that I truly learned to appreciate where I had come from. My husband and I decided to return to our “roots” to start a family, where we could raise our children in the same community that we had grown up in.

When the Washington County Community Foundation was founded in December of 2009, my husband and I not only chose to be Founders, I also jumped at the opportunity to be a member of the board. I recognized the potential impact that the Foundation could have on all of the communities within the county, and how the Foundation could be a key component and incentive for individuals like my husband and myself: individuals who decided to come back.

During my time as a board member, I have watched the foundation evolve from an entity struggling to garner interest and financial support to a recognizable resource of opportunity for all citizens. The board has been expanding in numbers and recently made the decision to move meetings around the county to not only continue to increase awareness of the foundation, but to also personally view projects that were possible because of grants made through the Foundation. I am excited by the enthusiasm of the current board and am eager to see what it can accomplish.

While the foundation has made significant strides since its inception, the need for future investment and donations still exists. I encourage you to consider a financial gift to the foundation. Together we can foster strong community roots so that when our youth spread their wings and fly, they know there are a plethora of reasons to not only return to Washington County, but to choose to stay.

COMMUNITY IMPACT

Clifton Beautification

Community members in **Clifton** started the **Beautification Committee** to help clean up and make the town more welcoming. With a grant from the Clifton Community Fund and the Washington County Opportunity Fund, the group was able to complete their first project. "We have a great group of six ladies who work really well together," said grantee Amy LeClair. "We brainstormed ideas and decided to make our welcome signs stand out."

They spent three weekends landscaping the area, and their hard work has not gone unnoticed. "We have had multiple comments stating, 'Wow, we didn't even know those signs were there!' It looks great," said LeClair. "Lots of hard work and dedication. We were very happy with the end project and we can't wait to see how pretty these are in the spring when they bloom."

Spring Spruce-up

KSDS Assistance Dogs wanted to add some color and beautification to its campus, making it more enticing and attractive for tourists and travelers on Highway 36. A grant from the community foundation's Opportunity Fund covered the purchase of flowers and perennials, allowing them to fill their 12 planters with flowers this spring. Two KSDS employees, Sculyer Zenger and McKenzie Metz, volunteered to do the planting. Grantee Marcia Funke is very thankful for funding. "Our sincere thanks for making this possible!" she said.

Haddam Cafe

The city-owned **Haddam Cafe** is an important part of the community. It not only serves local residents but also the surrounding community. When the building started to have structural problems, patron safety became a big concern. The City of Haddam was awarded a grant from the Washington County Opportunity Fund to help with repairs. "When the city received the grant for the Haddam Cafe, we excitedly informed the cafe of the generosity of the Washington County Community Foundation," said grantee Steve Zenger. "In a small town, it doesn't take long for good news to spread!"

The project included replacing and repairing bricks and windows. Now, new windows provide energy cost savings and loose bricks are no longer a concern! "Comments from the public about the repairs have been very positive," said Zenger. "The risk of falling bricks as you are walking past has been eliminated, and the new paint has brightened the overall appearance of the cafe."

Digging Up America!

Students are "Digging Up America" at the **Clifton-Clyde Middle School!** With a grant from the Washington County Opportunity Fund and Clifton Community Fund, social studies teacher Lana Moore set up an archaeology dig project for her students. Each tub had a theme that used artifacts and archaeology to hook students into the American history curriculum that they study throughout the school year. Students researched the different steps in archaeology, dug up and identified artifacts, and then reported on the theme of their tub. "Hopefully we will have future archaeologists graduating from Clifton-Clyde!" said Moore.

Morrowville Cemetery

A grant from the Washington County Opportunity Fund was used to pay for the surveying and plotting of the new addition to the Morrowville Cemetery. "The people of Morrowville and the surrounding communities are glad to see this project finished," said grantee Larry Durst. "It is a very good feeling that so many people came together to get this project completed and only with your generosity did we get it completed sooner than expected. We now have plenty of room for future generations to bury their loved ones. We can't thank you enough for your part in making this possible."

Senior Send-Off

Taking the next step after high school is a huge transition. A grant from the Washington County Opportunity Fund supported the annual **Senior Send-Off** event, which informs graduating seniors in Washington County about the different challenges they may encounter after high school. The goal is to inform students about entities available to help them succeed and stay safe. "I am confident that the transition from high school will be smoother and more successful because our students were able to participate in the Senior Send-Off," said Tim Voelker, Linn Public Schools counselor.

2018 DONORS

Large or small, every donation contributes to the foundation's ability to serve the community. We make every effort to include all gifts made during this time frame. If you believe there is an error, or need to make a correction, please contact us.

1

DECIDE WHEN TO GIVE.

Give now, in the future or both! Many funds are opened with a current gift, then grow through gifts from a will or estate plan.

INDIVIDUAL
OR FAMILY

BUSINESS OR
CORPORATION

2

DECIDE WHAT TO GIVE.

Most funds are established with gifts of cash or stock, however, the foundation can accept a variety of assets, including:

CASH, CHECK
OR CREDIT CARDS

STOCKS, BONDS
& MUTUAL FUNDS

401K & IRA
ACCOUNTS

GRAIN & LIVESTOCK

LIFE INSURANCE

REAL ESTATE

3

CHOOSE A FUND TYPE.

- ▶ Foundation staff can help donors **select a fund type** to best achieve their charitable goals. Donors also **name the new fund!**
- ▶ Donor advised funds are a popular option, as donors have the ability to **recommend grants** from their fund to charities and pass their fund to **future generations!** These can be started by individuals, families, companies or by the rollover from a private foundation.

4

DONORS RECOMMEND GRANTS FROM THE FUND.

Donors make grants to causes that matter most to them, such as:

CHILDREN
& YOUTH

HEALTH &
HUMAN SERVICES

COMMUNITY
DEVELOPMENT

SPIRITUALITY

ARTS & CULTURE

STUDENTS
& EDUCATION

5

WE HANDLE DUE DILIGENCE:

The foundation ensures viability, compliance and qualifications of recommended grant recipients.

6

CHECKS ISSUED:

The foundation can issue a check in any amount (\$250 or more) to any qualifying organization in the United States.

TRANSFER OF **WEALTH**

You've enjoyed a good life in a great community. What will you do to ensure the future generations of Washington County can say the same?

Do you know anyone who was born and raised in Washington County but has since left for a bigger city? Chances are, when this person's parents pass away, the money in their family's estate (which was built in our community) will leave this area forever. By designating just **5% of our estates** to our hometown needs, we could create **permanent funding** to support our schools, hospitals, parks, churches, nonprofits, libraries and so much more! It just takes a little bit of planning.

According to the Kansas Association of Community Foundations:

In Washington County, **\$165.4 million** will pass from one generation to the next by **2029**.

5% of that, or **\$8.2 million** could be preserved in a foundation endowment.

This would create **\$372,000** in annual grants to benefit our community.

PLANNED GIVING

Planning your charitable legacy is simpler than you may think. Donors often establish charitable funds through deferred-giving arrangements—gifts that are planned today and realized upon the donor's passing. There are several ways to support the foundation with planned giving:

Charitable Bequests:

In your will or trust, you direct all or a portion of your estate, including certain money or property, to be transferred to the community foundation.

Life Insurance:

The foundation can be named as the irrevocable beneficiary of your life insurance policy. You can give a paid-up policy or continue to pay premiums.

Charitable Trusts:

Although the foundation does not serve as a trustee for charitable trusts, you can work with your professional advisor to set one up and support the foundation.

Need help with your estate plan?

Professional estate planning services are offered at **no charge** through a partnership with estate planning attorney John Griffin of Stewardship Counseling, LLC.

Once a month, John travels to Salina and provides comprehensive guidance to individuals and families who want to create or update estate plans that minimize potential gift, income and estate taxes. He helps develop the plan; then families work with their local attorney to finalize and file their documents.

To schedule an appointment, call the foundation at 785-823-1800.
